The costs in this table do not include testing costs that will be invoiced pursuant to issuance of an ECHA Final Decision Letter on these substances (which may be issued in 2019 or 2020). Once the Final Decision Letter is issued, fair shares of testing and dossier update costs will be calculated. Joint registrants will be notified of the decision requirements and cost share calculations before invoices are issued.

* This substance is not currently registered by any H4R Member. Therefore, purchase of a Letter of Access must include taking the Lead Registrant role for this substance.
